As a resident at Lighthouse Recovery Center I have been made aware of the policy and procedures that must be followed to be granted the privilege of visits from Family, Friends and Sponsors. I understand that deviating from policy in any way will result in loss of my privilege of visitations. I further understand that any visitor not following the correct procedures will be turned away upon arrival. In addition, I understand that visits are now and will remain a privilege granted by the Program Director that can be revoked at any time with or without explanation.
